The Creative Contest is an innovative opportunity for young people to be creative and advocate for social inclusion through art. The Contest promotes the use of visual arts for sharing important messages about inclusion across Europe. The Contest is open until the 15th of February 2022 (23:59 CET) and the participation in the Contest is free of charge. Please, read the rules of the Contest carefully below before participating.

Article 1

For the purpose of this Contest, an “Entry” is any visual artwork (e.g. painting, sculpture, photography, drawing, collage, digital art etc.) developed by a Contest participant. The artwork must be focussed on a social inclusion topic and advocate for positive change in the society.

Entries must not contain illegal content, profanity, obscenity, discriminatory or disparaging elements.

Photographic entries cannot contain pictures of any underaged person and, if they contain pictures of people, they must be accompanied by a declaration that the persons represented accept to be represented in the picture.

Article 2

The Contest is open for Entries under two categories:

Category 1: Students aged from 13 to 17 years old. This category is reserved for pre-defined schools in Italy, Greece and Turkey.

Category 2: Young people aged 18 to 25 years old residing in any European country. For the purpose of the Contest, it will be considered the age of the participant before the closing date of the Contest (15th February 2022).

Article 3

Article 4

All Participants must agree with the Artwork Release Agreement on the application form to allow the free use and public view on the virtual museum platform, which will be the final product of the Contest.

Every entry of underaged participants must be accompanied by a parental consent form filled in and signed to be valid. You can find the parental consent form on the Creative website and at the bottom of these rules. By signing the form, the parent/legal guardian certifies that:

Article 7

All eligible Entries will be uploaded on Creative virtual museum and open for online voting from the 1st March until the 15th March 2022 (23:59 CET).

Article 8

Only participants who submitted an entry will be eligible to vote for an artwork in either or both categories. Participants will not be able to vote for their own entry as the vote will not be counted.

Article 9

In the event of a tie between eligible Entries, the tie will be broken by representatives of the Creative Contest. The criteria for breaking the tie will be:

- i. How well the Entry conveys the social inclusion message,
